

KASTEELBERG

SWARTLAND RANGE | CHENIN BLANC

ABOUT THIS WINE

The Riebeeck Valley is home to exceptional Chenin Blanc vineyards that thrive here. Our Swartland Chenin Blanc offers a fresh, fruit-driven quaffing wine that is perfect for everyday enjoyment. Sustainably crafted from a selection of our finest Chenin Blanc vineyards, including a bush vine component that offers intensity, texture and longevity.

VINIFICATION | WINEMAKERS NOTES

To ensure an array of layered fruit flavours and to capture freshness, we use only free run juice and ferment very cold. The wine is stored on the fine lees for a couple of months to develop a luxurious texture and good length before being bottled young for a fresh, crisp finish.

TASTING NOTES

Intense tropical fruit flavours,
balanced by a crisp, fresh finish.

ANALYSIS

Alc: 12.5% | TA: 6.7 g/l
pH: 3.47 | RS: 3.3 g/l
